Webb to 2 years imprisonment in the State Prison, the least term allowed by the law. T Orlando Fish, Fashionable Hatter, 187 Broad way, would inform the gentlemen of New-York that his Fall and Winter style of Hats is now ready for their inspection and critical judgement. Claiming the distinction of having been the first to project and abide by a strictly AMBRICAN style of Hats, instead of servilely copying the Fashions of Europe, which are often unsuited to our climate and manners, he rejoices to perceive that others have seen fit to follow his lead, and that now the following of supplied with the best Vegetables and Fruis that can be seen fit to follow his lead, and that now the following of supplied with the best Vegetables and Fruis that can be European Fashions in Hats is almost entirely abandoned by the leading manufacturers.

He offers a Winter style of Gentlemen's Nutria Hats at \$3 50, and warrants them equal in material, finish, fashion and durability to any Ha; sold as low as \$4 in the city. But he wishes it distinctly understood that his best Hats are not sold at this price, but at \$4 50. These he recommends as equal to any hat sold in New-York at \$3 or under, challenges for them a comparison with any other. Gentlemen visiting our city are respectfully invited to call and examine his new stock of Winter hats and judge of their quality. He is confident that, whether the cheapers or their quality.
